## TERRY'S TIDBITS

Our world has been filled with so many activities in recent weeks. Many of the events seem to be turning our thoughts upside down. We see storms, violence, upheaval in our political processes and spiritual apathy in many places. With this in mind comes a question about what can we do and how do we cope. Our answers can be found in the Word of God and the leadership of the Holy Spirit. We must look to God for the convictions to stand true to God. The world will not be comfortable with Biblical answers. We must prepare ourselves to realize that we will be the minority. When we stand for truth in love the world will react that we are anything but loving. Love believes the Bible and not the ever changing mantras of the world. The morality of the world flies in the face of the love of God. We must learn to put on the armor of God and march forward into the struggle of right and wrong. We must be as wise as a serpent and harmless as a dove. We need to tell people of the love of God.

Thank you for allowing Sandy and me time away. Thanks to Clay and Muncy for their help.

Pray for our church and our nation.

Bro. Terry
