## Today

## BUSINESS MEETING

## TERRY'S TIDBITS

Large thank you's are in order for this day. We had so many of our people to participate in all of our projects of this past year. Saying thank you to them seems small. but your willingness to work enables us to finish all of our projects with them paid in full. Generosity of heart enables our church to do many things.

Thank you to all the companies who worked and were willing to do such a good job for us. The balcony, the youth building, the bathrooms and the remodel of the classroom for 2:45. These projects allow us to serve more people for the cause of Christ. You are to be commended for a job well done.

Thank you to the membership who have been willing to look ahead and see what we need to do. Forward thinking and biblical cooperation makes this possible.

Today we will have special prayer for our teachers, students and workers in the schools. Please keep them in your prayers each day.

Bro. Terry
