TERRY'S TIDBITS

Thanks to all the workers and companies who were present Sunday. Your hard work has enabled us all to have a more comfortable place to worship and serve.

Thanks to all the students, teachers and workers who came down front so we could have prayer. We want to remember to pray for our schools all year.

Routine always seems to come back to our lives once school starts. So I have two goals for the fall. One-- we need to average 225 in Sunday School. This takes everyone cooperating to be in class. Faithfulness matters in our classes. You will enjoy the learning and the fellowship. Second--let us set a goal of an average of 345 in worship. We want to set a goal of 375 for one or more Sundays. So take the time to be present and to invite a friend. Each service enables us to reach more people and to worship. Please consider all this prayerfully.

Encourage one another, pray one for another and be faithful to the Lord in His church.

Bro. Terry
