TERRY'S TIDBITS

Each week we gather to celebrate and worship our God. Nothing should keep us from this each Sunday or Wednesday. Spring Creek set these times of worship many years ago. Members are expected each week. We also need to invite others to come and be our guest. When we invite guests we should have a purpose. If those guests are lost then we desire them to come to Christ. If they are searching for a church home our purpose should be to show them that God is present in our services. We want to pray for and encourage those who are our guests. We want them to be transformed and touched by the power of God. We want them to know we have classes for all ages. We want them to know we have vibrant music that honors God. We want them to know we teach the Bible. We have a desire for others to be a part of our worship and church family.

Please continue to pray for the Music Committee as we search for the man God wants us to have. Pray that we find that man.

Bro. Terry
