TERRY'S TIDBITS

Update: The search for a Music Director continues. We have met several times and have discussed the names we have been given. So far only one candidate is interested. We are still searching for more names. If you have names for the committee to consider please turn them into the committee. So far we have told the applicants that we desire to keep the choir. We seek a blended style of music and we want the position to be full time. We are in the process of reviewing the job description. Thanks to all who have turned in names. Most calls have ended with the person being content where they are. So please pray for God to open a door for the right man to come to Spring Creek.

This is where we are and just a reminder this may take a while.

Thanks to H.D. Tripp for his very hard work in the interim.

Bro. Terry
